MEET OUR EVENING SPEAKER: Pastor Darryl DelHousaye

Dr. DelHousaye (pronounced DEL-who-say) holds degrees from Talbot Theological Seminary and Western Seminary. He is a renowned expository Bible Teacher who has devoted his life to communicating God's Word in a winsome, practical, and scholarly manner. He has been married since 1970 to Holly, and they have two married sons, John and Kent, and six grandchildren. We enjoyed Dr. Darryl so much in 2022 that we invited him to return and share three evening messages from Sunday through Tuesday.

GUEST MUSICIANS: Niah and Allisha Merrill

Also returning by popular demand are Niah and Allisha, a young couple who blessed our conference last year. Crossing the genres of traditional, classical, and modern hymns, the Merrills' music focuses hearts to bring praise to the Creator of music. Niah and Allisha partner with many talented writers, orchestrators and musicians around the country to produce quality music that is both God-honoring and relevant. They sing and play an assortment of instruments (including the piano, trumpets, flugelhorn, hand drums, and Irish penny whistles) in a variety of inspirational musical styles. Our worship time was rich and meaningful last year.

WORKSHOP SPEAKER: Senior Pastor/Lead Chaplain Rob Lloyd III

Chaplain Rob is well-known to a few of our Pacific Northwest chaplains as a lead pastor, ordained chaplain, trauma intervention instructor, and Clinical Director of the SWW-CISM Team, with a passion for helping people in crisis find hope and healing. He has served in a number of paid and volunteer positions and for the past 36 years has been a teacher/trainer in various fields of expertise, currently in biblical studies and trauma intervention. He is the founding and senior pastor of Freedom Community Church and the Responders Resource Center which is a chaplaincy and trauma intervention training agency. We look forward to both Rob and his wife, Jeanie, attending our conference this year.
